ROSER COMMUNICATIONS NETWORK, INC.

EEO OUTREACH ACTIVITIES

February 1, 2024– February 1, 2025

During the period, the Unit had one fulltime job opening and the unit recruited for that position.

Roser Communications Network, Inc. has set up a comprehensive outreach and recruitment program and an EEO self-assessment program designed to widely disseminate information regarding full-time job opportunities at its stations and to ensure the compliance of the unit with the FCC's EEO rules.

Every six months, all Roser Communications Network, Inc. stations air a Public Notice Press Release inviting community groups, minority organizations and interested civic organizations to notify station management if their group would like to be notified regarding each new, full-time job opening. Roser Communications Network, Inc. also sends these same press releases to community groups, minority organizations and interested civic organizations seeking the involvement of local groups as part of the licensee's recruitment efforts. To date, twelve local groups have expressed interest in receiving information regarding job openings. The licensee plans to continue its advertising efforts with the hope that more local groups might soon be interested in receiving such information.

Roser Communications Network, Inc. advertises all of its full-time job openings on a variety of media seeking the broadest possible recruitment. Some positions are advertised on the air and some are through Internet services. The unit seeks to continue experimentation to continue to adjust its outreach and recruitment efforts.

Roser Communications Network, Inc. has selected the following menu options as a result of self-assessment of its EEO program:

Participate in other activities than the ones listed that the licensee has designed to further the goal of disseminating information about employment opportunities.

Provide training to management level personnel as to methods of ensuring equal employment opportunity and preventing discrimination.

2024 - 2025 Outreach Activities

Open House and Career Day

The Open House and Career Day was held at the stations on January 15, 2025. No one attended the event despite radio advertising to support it. The Unit had no job openings during this period.

Management EEO Training

During this employment period, Grant Roser, the General Manager, and Ken Roser, the principal owner, reviewed the book, Practical Guide to Equal Employment Opportunity by Walter B. Connolly, Jr. and Michael J. Connolly, in order to provide training to ensure equal employment opportunity and discrimination prevention. They read and studied “Support of Community Action Programs.”

Internships

During the period, the unit resumed its internship program with Utica College. The Unit engaged one intern during the period who assisted with various off-air events.
